Quality Policy

To manage the quality of J&D's products and services to meet and exceed customer satisfaction

Safety Policy

To ensure that everyone in J&D, and the people we work with, are kept safe and healthy

Environmental Policy

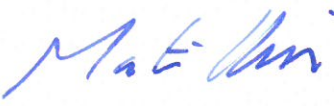

To seek to minimise the effect of J&D on the environment

Commercial Policy

To ensure that J&D is profitable and has a sustainable future

We the undersigned are committed to ensure the following in regard to each of the above systems;

- They are appropriate for J&D
- They reflect the specific nature of the environments we work in
- We will endorse and promote them
- Objectives are set and monitored
- Customer and regulatory requirements are met
- Each system and J&D's performance continue to improve every year
- We will consult with our employees on HSE matters
- We will continuously look to reduce hazards and risk
- These policies and objectives are communicated to all J&D employees
- Each system is documented and available to any interested party
- We maintain our 9001 and 18001/45001 accreditations and move towards achieving 14001
